Dear purchaser,

Thank you for your purchase of this Community Scavenger hunt. This purchase entitles you to one license of this product for personal and professional use. Please do not share or resell this product as your own.

This is a great at-home activity to send home with students as a follow up or support to your "Local Community" unit. I send this home with students during one of the holiday breaks as a great way for families to get out and about as well as supporting our curriculum.
